

Psalms 27: 1-3

The LORD is my light and my salvation; whom shall I fear? The LORD is the strength of my life; of whom shall I be afraid? <sup>2</sup>When the wicked, even mine enemies and my foes, came upon me to eat up my flesh, they stumbled and fell. <sup>3</sup>Though an army should encamp against me, my heart shall not fear; though war should rise against me, even in this will I be confident.

### CKC recognizes September as Childhood Cancer Awareness Month

Cancer Kids for Christ wishes to join the many children, parents, organizations and professionals by recognizing September as Childhood Cancer Awareness Month.

For most parents, September marks the beginning of a new journey for their children in the area of education. Therefore it is only fitting for September to be set aside for educating parents and the community that Childhood Cancer is the number one disease killer of children. In fact it is the number two child killer behind accidents. Additional facts include:

- Approximately 12,400 are diagnosed with cancer each year.
- In 1998, about 2500 died of cancer. Currently the number is as high as 4,000 children each year die.
- About one in 300 boys and one in 333 girls will develop cancer before the age of 20.

To put it in perspective, there is one classroom full of children diagnosed with cancer each day of each year. That means that not only are the parents, multiple siblings, extended family and friends affected but the entire community is exposed to the devastation of the disease.

We are all part of the community exposed and we must join in unity and with one voice make a solid call to serve. In the parable of the sheep and the goats, Jesus is asked when did we feed you, give you drink, invite you in, give you clothes and visit you in sickness and in prison? Jesus replied in Mathew 25:40 "The King will reply, 'I tell you the truth, whatever you did for one of the least of these brothers of mine, you did for me.'
